As per standing orders of Higher Education Commission (HEC) regarding Plagiarism in Thesis & Synopsis, SZABMU has uploaded the following on its website for all the Postgraduate Students of the University.

- Guidelines on "Turnitin" Software
- HEC Plagiarism Policy
- How does HEC deals with Plagiarism Cases
- Little Book of Plagiarism

It will be highly appreciated if you may kindly instruct / direct all the PGs of your department to strictly follow the guideline for plagiarism before submitting their thesis or synopsis. It is mandatory for the trainees to submit plagiarism report along with thesis for final approval. The **Similarity Index** should not be more than 19 % based upon "TURNITIN" software only. The university will not provide any facility for plagiarism checking, it will only verify the reports submitted by the PG trainees.
