MEDICAL UNIVERSITY**  
Department of  
Medical Education

## INTRODUCTION

The Shaheed Zulfiqar Ali Bhutto Medical University (SZABMU), a public sector federal university, was established in the premises of a premier postgraduate medical institute, Pakistan Institute of Medical Sciences, Islamabad; by an ordinance of national assembly on 21<sup>st</sup> March, 2013. The SZAB MU, a budding institution on the horizon of medical education of Pakistan, has taken no time to establish its credentials under the dedicated and visionary educational leadership. The university has made an immediate impact in the field of healthcare, postgraduate medical education and research pertaining to serious health problems faced by our country.

The SZABMU has structured training programs in 32 disciplines of medicine, surgery and dentistry. It is also involved in postgraduate education of paraclinical and basic medical sciences and offers MPhil and PhD in 12 disciplines. The university has a vibrant 5 years MBBS program. It has a Federal Medical and Dental College, a constituent medical college; besides 4 other private sector medical colleges in Islamabad capital territory attached to it. The university also runs several graduate and postgraduate courses in the fields of nursing, pharmacy, rehabilitation sciences and medical laboratory technology.

## MASTER OF HEALTH PROFESSIONS EDUCATION (MHPE) PROGRAM

SZABMU Pakistan has launched a Master Of Health Professions Education (MHPE) Program starting with the session 2020.

## GOAL

To train educational scholars, leaders and researchers who contribute to the advancement of health professions education in the country

## LEARNING OUTCOMES

By the end of this MHPE course, the participants will be able to:

- Design evidence –based educational programs which are learner-centered;
- Deliver effective, current, theory-based instructions in different learning encounters;
- Effectively use various assessment methods / tools to evaluate students' progress and learning;
- Plan and implement innovative curricula and evaluate their effectiveness; and
- Undertake research in local setting and apply results to improve medical education standards and patient care.

## COURSE STRUCTURE

The duration of this MHPE program will be 2 years. The 1<sup>st</sup> year and a quarter of 2<sup>nd</sup> year will be dedicated in studying the theoretical underpinnings of medical education while a better part of 2<sup>nd</sup> year will be utilized in conducting educational research and writing thesis.

The course contents of MHPE program have been divided in 6 modules. Before the start of each module, the participants will be sent pre-reading material electronically.
